Chamber members are invited to join the Leadership Frankfort Advisory Board members on Tuesday, July 16, 2013, for the 2012-2013 Graduation of Leadership Frankfort. The purpose of this nine-month program is to foster leadership potential in the community to ensure the continued growth, development, and overall prosperity of Frankfort and Franklin County.

The Leadership Frankfort program is designed to educate and inform individuals on issues and opportunities of our community; creates awareness and understanding of how each of our actions affect others; seeks to build a network of committed, informed and progressive individuals in the Frankfort/Franklin County Community.

On behalf of the Frankfort Area Chamber of Commerce Board of Directors and the Leadership Frankfort Advisory Board members we thank all of our 2012-2013 speakers, company tours and Day Chairs for their continued support.

Be sure to bring a friend, co-worker or client along with your business cards for the roundtable networking. The cost to attend is $10.00 per person and includes lunch. Reservations are necessary, so please register today at office@frankfortky.info or call 502-223-8261.

Our mission statement says that we are to develop strong businesses and a vibrant economy here in our community. We are currently focusing on two areas to help us achieve our mission. First and foremost we must make sure to support the businesses we currently have. The Be Local/Buy Local Campaign is designed to make everyone aware of the fine businesses we have currently and to ask the community to make a pledge to spend at least $100 locally that they might have spent in other communities. As Chamber members, it is vital that we take the lead in this campaign by not only taking the pledge and buying locally whenever possible but we must also encourage others in the community to buy locally. Our local economy is only as strong as our local businesses.

Our second area of focus is to create an environment that attracts new and expanding businesses to our community. As a current Work Ready Community in Progress, we are working to move up to the status of Work Ready Community within the next three years. Currently we are one of only 18 counties with either of these designations. We must focus primarily on education to meet the remaining requirements. Once we achieve the Work Ready Community status we will stand out as one of the best business locations in Kentucky. With a strong local commitment from city and county schools, adult education and the business community we can reach our next goal. It will be vital for our community to buy-in to some new educational initiatives. We also need some local businesses to be our Champions and commit to helping us implement the new initiatives. Our Work Ready Committee is currently working on this project and will announce plans for meeting our goals in the coming months.

Thanks to all of our members who are currently working to help us meet our goals. If you are not already involved, I urge you to get involved with the Chamber and one or more of our programs or initiatives. We will only achieve our mission when our members are active and engaged.

Best Regards, Myron Moore

In Remembrance of Darwin Sebastian

We were all saddened to learn of the passing of Mr. Darwin Sebastian on June 12th. Darwin served as the Farm Bureau Representative on the Chamber Board of Directors since 2010. Darwin distinguished himself as a hard worker and dedicated member of the Board. Darwin was retired from Kentucky State Government but he had a passion for agriculture and farming. He volunteered countless hours to the Franklin County Farm Bureau, the Western Hills Agriculture Department, the FFA Alumni, and in last few years, to the Chamber of Commerce.

The loss of our colleague and friend leaves an empty space on our Board that will not be easy to fill. Our thoughts and prayers go out to Darwin’s family and many friends during this very difficult time.
Mission Statement of the Frankfort Area Chamber of Commerce
The mission of the Frankfort Area Chamber of Commerce is to develop strong businesses and a vibrant economy through business advocacy and leadership, resulting in a better quality of life for all.

How will health care reform impact your company?

Health insurance is changing. In 2014, many more changes will go into effect. Don’t wait until the last minute to get educated on what you need to know today about the Patient Protection & Affordable Care Act (PPACA) or “Obamacare” as most people call it. We have brought in experts on the topic, Jason Young, President of VFG Benefit Solutions will help guide you through the important provisions of this act/law, what you need to know as an employer/employee, an update on the upcoming 2014 “health insurance exchanges”, and much more. Jason and his team have worked closely with the Frankfort Area Chamber of Commerce for years now and we are proud to have him as a resource for our members. We encourage each of you to join for this informative discussion on something that will surely affect each of us in the years to come.

Also, joining us for this important conversation is DJ Wasson, Acting Director, Kentucky Department of Insurance. The Affordable Care Act provided for new federal oversight of the health insurance function provided by state department of insurance. This will include new federal requirements concerning standard benefit packages, premium rating factors, determining minimum loss ratios, among other requirements. Ms. Wasson will explain these changes and how the changes will impact employers offering health insurance.

The cost to attend this luncheon is $10 and includes lunch.

FRANKFORT/FRANKLIN COUNTY
BUSINESS & INDUSTRY LEADERS & EDUCATORS FOCUS GROUP
Wednesday, July 24, 2013 – Capital Plaza Hotel

Work Ready Community & Education Initiative
Seeks Frankfort/Franklin County Business & Industry Leaders
To Participate in Focus Group on Education & Workforce

Are today’s students prepared for the workforce?

The Frankfort Area Chamber of Commerce in partnership with Franklin County Public Schools and Frankfort Independent Schools are looking for Frankfort/Franklin County based business leaders to participate in a conversation about public education, student preparation, and workforce development.

Business and industry leaders are critical voices that need to be heard. They hire, employ, and work alongside public-school graduates, and they have first-hand knowledge of the skills that today’s students will need to succeed in 21st century industries and workplaces.

During this session, business and industry leaders will discuss with Superintendents, Principals, and counselors from area schools the skills and qualities business and industry leaders are seeing in young people today, the skills and qualities they would like to see, and their general perceptions of high schools and education today.

To ensure that diverse viewpoints are heard, we are looking to enlist a balance of business leaders representing different industries, professional roles, and also different viewpoints on education, employability, student preparation, and today’s workforce.

We are looking for participants that are:
* Directors, managers, and human resources from area companies.
* Other business leaders in a position to speak knowledgeably about the needs and perspectives of Frankfort/Franklin County businesses and industries.
* Employers with a broad spectrum of individuals with varying skills and educational backgrounds, including fast-growing fields such as technology, biotechnology, engineering, e-commerce, energy, and medical sciences and services.

If you have questions or are interested in participating in the focus group, please contact the Frankfort Area Chamber office at 502-223-8261 or chamber@frankfortky.info or fill out and fax the below participation form.

There is no cost to attend this focus group. A continental breakfast and coffee will be provided.

We value your time and input and hope you will be able to join us for this very important discussion.

The Frankfort Area Chamber of Commerce and the Small Business Development Committee are sponsoring a “Be Local/Buy Local campaign, which encourages Frankfort/Franklin County residents to “Be Local/Buy Local” – but we need your participation!

The “Be Local/Buy Local” campaign is important to Frankfort and Franklin County business and economic stimulus incentive with the goal of fostering a greater sense of awareness of local businesses, local business opportunities, and even local job opportunities. “Be Local/Buy Local” serves to ensure the success of local small businesses by keeping dollars in our local economy... Be Local/Buy Local” creates local jobs...and “Be Local/Buy Local” reduces Frankfort and Franklin County’s carbon footprint, vehicle emissions, and environmental pollution.

How Can You Become a “Be Local/Buy Local” Partner?

(1). As a valued member of the Frankfort Area Chamber of Commerce your company is automatically a Be Local/Buy Local Partner. All your company will need to do is accept and stamp the Shop Local Cards when presented at your business.

(2). Donate a prize item (ie: Gift Certificate to your place of business) for our monthly drawings.

(3). Place the “Be Local/Buy Local” decal in your store front, designating your business as a “Be Local/Buy Local” partner.

(4). Promote the Take the Pledge in your place of business.

(5). Donate to the Grand Prize Drawing in February 2014.

Residents will have the opportunity to take the “Be Local/Buy Local” Pledge and receive a “Be Local/Buy Local Pledge Card” for taking the Pledge. Shoppers will then be instructed to present the “Be Local/Buy Local Pledge Card” to receive their stamp from your business, when purchases are made. For every $100 spend locally, shoppers names will be placed in a random drawing for a great prize in December 2013.

If you have any questions, or would like to become a Be Local/Buy Local Partner, please feel free to contact the Chamber office at 502-223-8261 or email chamber@frankfortky.info.

“The Mass Mutual Lunch & Learn” on Friday, May 10, 2013 was very educational for those in attendance. With the rainy conditions outside combined with a Rotary golf outing some were not able to attend. Topics that were covered were very informative and answered questions for those who were able to make it. Jason shared that May was Disability Income Awareness month and that the peace of mind this coverage provides has no price tag. Also he shared various financial game planning strategies with regard to retirement planning and life insurance. Those in attendance learned various methods of utilizing life insurance to protect their assets and family. Finally the topic of long-term care coverage was discussed and the fact that all of us probably know or have a loved one that has required “in-home” or some type of assistance when a illness or disability has occurred. Overall a very positive seminar and Jason and his business associate hope to hold another one in the near future. If anyone would like to speak with Jason Booth directly please contact him via email to jasonbooth@financialguide.com or via phone to 502-396-5434.

Member-to-Member Discount Program

“It Pays to Shop With Members”

Every time you call or visit a Chamber member for a product or service, you are promoting member-to-member business. The members listed offer discounts on their goods and services. As a member of the Frankfort Chamber of Commerce, you are entitled to these discounts. You can start reaping these savings just by calling one of the members listed at www.frankfortky.info (Member Benefits) when you are looking for a particular product or service and letting them know that you are patronizing their business because they are member of the Frankfort Area Chamber of Commerce.

To make it easier for participating merchants and service providers to tell if someone is authorized to use the Chamber discount, special “Chamber Membership” cards are given to Chamber members (see sample below).

It’s really that easy! And it really does pay to shop with members. Merchants are rewarded by increased business and visibility. Members and their employees save money by shopping with you or using your services.

The Chamber will publish our Member-to-Member Discounts quarterly in the Chamber Newsletter along with a listing of our M2M Participants on the Chamber website. Take advantage of this FREE OPPORTUNITY to be included in our next publication. If your company would like to be included, complete the below Registration Form and return it to the Chamber office. For more information, call Suzy Hosley at 502-223-8261 or email your discount to suzy@frankfortky.info.

REGISTRATION FORM

To increase the amount of business done among Chamber members, the Frankfort Area Chamber of Commerce offers, on an ongoing basis, the Member-to-Member Discount Program. Don’t miss this FREE OPPORTUNITY to be included in our next publication. Act now, just complete the information below and return to the Chamber office by mail to 100 Capital Avenue, or via fax to 502-223-5942.

The Internal Revenue Service announces an update to one of its most popular tools, the virtual small business tax workshop. We’ve also renamed it ... *Small Business Taxes: The Virtual Workshop.* The online workshop now has updated content, enhanced navigation, interactive features and a completely new look and feel.

The nine interactive lessons still provide training for small business owners who want to learn about their tax rights and responsibilities.

The virtual workshop has many advantages:

- Users can customize the lessons to meet individual needs.
- It features the convenience of 24/7 availability, and learning at users’ own pace.
- The materials are free; no enrollment is required.
- Users can select and view the stand-alone lessons in any sequence.
- The closed captioned lessons are completely Section 508 Compliant and fully accessible to all.
- View an outline or complete transcript of each lesson while watching it.
- Use the “bookmark” button to mark favorite spots in the lessons.
- Links to online information pop-up as the presentations play for viewers to instantly click on and view simultaneously.

To find the online workshop, visit [www.irsvideos.gov](http://www.irsvideos.gov) and use the search words “Virtual Workshop.”

ANNUAL NAACP FREEDOM FUND SCHOLARSHIP BANQUET

Article by: Frankfort/Franklin County Branch of the NAACP

The Frankfort/Franklin County Branch of the NAACP sponsored its Annual Freedom Fund Scholarship Banquet on Saturday, June 22, 2013 at the Capital Plaza Hotel. This year’s theme was: “MOVING FORWARD!”

The Freedom Fund Scholarship Banquet is the Branch’s major fund-raising event and its way of reinvesting in the Frankfort and Franklin County community. The money raised is used to support the scholarship fund. Three scholarships are awarded to a graduating senior at each of the three high schools in the community. This year’s scholarship winners were:

1. Frankfort High School – Jasmine Washington;
2. Franklin County High School – Elizabeth L. Taylor; and
3. Western Hills High School – Dalessa D. Webb

Any student in Frankfort and Franklin County may apply and each year their is increase in the number of scholarship applications submitted. The Branch also sponsors community programming in the areas of voter registration, education, housing and health awareness.

At the banquet, the Branch recognized individuals and organizations for their outstanding service to the Frankfort and Franklin County community. The community honorees for 2013 were:

1. “President’s Award” – Dr. Carl Smith;
2. “Outstanding Man of the Year” - Mr. Tommy Haynes;
3. “Outstanding Woman of the Year” - Ms. Maria Foster Bush;
4. “Outstanding Citizen of the Year” - Mr. Max Thomas; and
5. “Outstanding Community Service Award” - The Simon House

The keynote speaker was Judge Pamela Goodwine, the first African-American female judge in Fayette County. Judge Goodwine grew up in Youngstown, Ohio and dreamed of becoming a judge someday. She received her JD from the University of Kentucky’s College of Law. At Wyatt, Tarrant & Combs, she focused her legal career on labor and employment law, civil litigation, workers compensation and insurance defense. She has also served her community in a number of ways. She was the Chairperson of the Kentucky Commission on Human Rights and has been a certified hearing officer for that Commission for three years. She was a member of the National Association of Human Rights Workers and the Lexington Network. She was also a board member of Central Kentucky Legal Services, Prevent Child Abuse Kentucky, One Parent House, the Lexington Arts & Cultural Council and Networked. Judge Goodwine is a member of the American Bar Association, the Kentucky Bar Association and the Fayette County Bar Association. Judge Goodwine has stated, “I want to be a role model for the youth of my community. I want to let them know they, too, can achieve their dreams, if they first believe in God and then in themselves.”
Ashwood Place is making dreams come true for their residents with Second Wind Dreams. Second Wind Dreams® was formed in 1997. It's name derived from a novel of the same name by P.K. Beville, a geriatric specialist who wrote about the wonderful, colorful and sometimes hysterical people who live and work in nursing homes. Since 1997, SWD has become involved in more than 400 eldercare communities in 40 states, and Canada. Weaving thousands of dreams from the simple to the sublime. The mission of Second Wind Dreams® (SWD) is simple -- to change the perception of aging through the fulfillment of dreams and the offering of innovative educational opportunities to caregivers and communities.

From flying an airplane, hot air balloon rides, to being Mayor for a day, and riding in a fire truck, Ashwood Place and several community partners have had fun making resident dreams come true. Now Ashwood Place would like to ask Chamber members to help with a Big Dream - Ms. Joan is a sweet lady and has a very unselfish dream and that is to help others in the Frankfort and Franklin County - her charity she is collecting for is Access Soup Kitchen and the Men’s Shelter. Here is where your help is needed -- Ashwood Place would like to place “Help Joan, Help Others” donation boxes in area businesses, if you are interested in being a Joan Supporter, please contact Pamela Olds at Ashwood.

National Night Out

Police looking for Participants
National Night Out

The Frankfort Police Department is looking for groups and organizations interested in participating in National Night Out 2013.

The Frankfort community has been registered with the National Association of Town Watch to participate in the event that will take place August 6, 2013 at Lakeview Park.

Law enforcement agencies, public safety agencies, commercial establishments, civic clubs and other groups join together for the event to “promote police-community partnerships, crime, drug and violence prevention, safety and neighborhood unity,” according to a press release.

Those interested in participating can contact Major Fred Deaton at 502-352-2056 or fdeaton@frankfortky.gov or Sheriff Pat Melton at 502-875-8740.
The Student Life Center for Holistic Development and Programming would like to invite Frankfort and Franklin County Businesses and organizations to participate in their annual Welcome Week Extravaganza!

On August 27, 2013 from 11:00 am -1:00 pm, businesses and organizations will be offered the opportunity to display information and inform the student body, as well as the rest of the KSU family. Student Life will also have an ice cream social beginning at 12:30 pm. This years’ event will be held on the Student Center Courtyard.

Student Life also encourages every organization to take advantage of this carnival atmosphere, so be creative in your methods. For example, some may have games, face painting, give away candy or samples, bake goods, balloon darts, etc. There are many ways to make your display unique and assist in making this event a huge success. This is a great way to get recognition for your organization.

Student Life will be providing tables and electricity, if needed, for student organizations and departments, as well as community participants. We encourage your organization to participate and start the year off with excitement and togetherness. For more information please email leslie.thomas@kysu.edu.
Frankfort Regional Medical Center hosted its second annual "Kid’s Safety Day" on Saturday, June 1, 2013 in the back parking lot of the hospital. The hospital also held a ribbon-cutting ceremony for the grand opening of its $8.4 million Emergency Department renovation.

The Emergency Department renovation completes an 18-month project that expanded the current space by an additional 2,600 square feet, now totaling over 19,500 square feet. The new space also increased the number of beds from 18 to 28, enclosed in their own individual rooms for greater privacy. Another key feature of the renovation was the addition of a new 64-slice CT scanner, that goes head-to-toe in less than 10 seconds.

“We are excited for both of these events. Kid’s Safety Day is a great way for children and families to learn more about how to stay safe while enjoying many fun activities,” said Chip Peal, the hospital’s Chief Executive Officer. “The completion of the Emergency Department renovation should improve the flow of patients and enable us to serve the growing number of patients who are turning to us for emergency services.”

Kid’s Safety Day is an annual event held in memory of Charlie Semones to increase awareness of child safety issues. The event was free to the public, and the first 300 children in attendance received a free bike safety helmet. The event highlighted the following:

- Bike safety (Charlie’s Challenge bike safety course)
- Child safety seat checks
- Horse safety
- Gun safety
- Train safety
- Child ID Kits
- Pool safety
- Fire safety
- Child abuse
- Summertime vehicle dangers

Children were encouraged to bring their bicycles to participate in the bike safety course.
